Luisa was invited to a haunted house party by her friend, Gissell. Luisa didnt know that the house was hanted by Gissell. Everybody that went to the party would become spirits with Gissell. Selena tried to warn Luisa. Gissell had trusted selena and told her about her death.Of cuores selena dint believe gissell.The next day Gissell brought a picture of her death."Luisa listen to me Gissell is a dead person." said selena. "YOU ARE CRAZY. I can See Gissell you know what i am taking you to a doctor."said luisa."selena seems to be fine." exclaimed doctor Kevin. "I am telling you the truth I promise you I am" " I still dont believe you. Then come sleep over with me instaed of going to that scary party

Gissell had worked with her ghost parents to make their house a very scary experience."ahahahahah.The party will be the best finally parents our dead family will grow"yelled Gissell."dont get too excited our target is luisa and selena. if they dont come than they will to stop our ghost growing family."said gissells ghost mom. then ghost dad said,"You didnt know this but Luisa and Selena are now the princes out that is good"replied dad.the next day the dumb little ghost told selena that she and luisa were angel.

But one of the fake ghosts was not fake at all, because the house was really haunted! in the middle of the party gissells parents turned everybody into ghosts and then the next day only Selena and Luisa were at school. then selena made the choice to call the cops and then the ghost family would go to ghost jail. that afternoon selena called the cops. "hello this is selena i am calling so you can put some ghosts in jail and free some other ghosts."

"ok where is the place?" said the cops. Selena told them all the information they needed and then they caught gissells ghost parents and Selena And Luisa freed their friends and then they lived a happy life.
